Geographic Distribution of Natural Disaster Impacts in Peru

Cumulative over 2010−2023, by distrito. Grey: no event of that kind recorded. Colour scale clipped at the 2nd and 98th percentiles.

Source: INDECI/SINPAD Emergencias 2003−2025, natural−origin hazards only; INEI district population (2017 census vintage).
Property damage is the physical count of dwellings destroyed plus dwellings affected; INDECI records no monetary loss.
